## Government of Karnataka

No:FEE 138 FWL 2021

Karnataka Government Secretariat, M. S. Building, Bengaluru, Dated:07-01-2023.

### **NOTIFICATION**

Whereas the Government of Karnataka considers that it is desirable to declare the area, the situation and limits of which are specified in schedule-I of this notification as "Chikkasangama Bird Conservation Reserve" due to its ecological, faunal, floral and geomorphological importance, and for the purpose of protecting, propagating and developing wildlife therein or its environment and to protect the important feeding and breeding habitat of migratory birds of Central Asian Flyway (CAF) and other local species.

And whereas, the Government of Karnataka considers it necessary to declare the area as Chikkasangama Bird Conservation Reserve in view of the following aspects:-

- 1. During the 15th meeting of the State Board for Wildlife held on 19.01.2021 under the chairmanship of Hon'ble Chief Minister, Government of Karnataka, it was resolved to declare the land belonging to the Government over an extent of 12359.95 Ha in Badhardhinni, Beerakabbi, Chinivalakoppa, Girisagara, Godihala, Gundanapalli, Hadarihal, Heggura, Herakal, Honnihala, Kamadhala, Kandhagal, Koppa SR, Lingapur SR, Mallapura, Managura, Mutthaladhinni, Thimmapura, Rolli, Sangama, Takkalaki, Tholamatti, Yathnatti villages of Bilagi Taluka of Bagalakote district; Andamuranal, Bennura, Chikkahodhulara + hirehodhulara, Chikkamuramatti, Hiremuramatti, Ilala, Kirasura, Salagundi, Siddanala, Shiraguppi villages of Bagalkote taluka of Bagalkote district and Chimmalagi, Benala villages of Nidagundi Taluka of Vijayapur district as Chikkasangama Bird Conservation Reserve.
- 2. The said area is a part of backwater of the Lal Bahadur Shastri Dam, popularly known as Alamatti Dam which is a perennial fresh and shallow

waterbody, spread over an area of 487 Sq Km. It is a unique habitat for migratory birds and many other species which are listed in various schedules of Wildlife (Protection) Act 1972, various categories of International Union for Conservation of Nature and Natural resources (IUCN) Red list and Bird list of Central Asian Flyway. This area supports high freshwater biodiversity. It has one of the largest populations of Greater Flamingos in the State, an important breeding area for the trans-Australian migrant Oriental Pratincole (Glareola maldivarum), possibly the world's largest breeding colony of River terns (Vu), 70% of migratory water birds under CAF, over one lakh birds during winter. The migratory birds are threatened by several factors like poaching, destruction of nests and eggs. Thus, there is a need for preventing the loss of habitat for migratory birds and other resident bird species.

- 3. This waterbody is ecologically well balanced and highly productive with a variety of zoo planktons, aquatic insects, aquatic weeds, amphibians, mollusks and several fishes.
- 4. The conservation Reserve is to an extent of 12359.95 Ha which is a shallow waterbody area. Once water starts receding by the month of November, it becomes an excellent site for water birds to feed upon there. The islands surrounded by waterbody become important nesting and breeding sites for River terms and other species of birds.

And whereas all the rights in respect of the boundaries of the waterbody to be constituted as "Chikkasangama Bird Conservation Reserve" are already vested with the State Government.

Now therefore, in exercise of the powers conferred under section 36-A of the Wildlife (Protection) Act, 1972 (Central Act-53 of 1972), the Government of Karnataka hereby declares that the areas specified in the schedule–I and whose boundary description are mentioned below, shall be comprised within the Chikkasangam Bird Conservation Reserve and further declares that the said area shall be Birds Conservation Reserve and called as "**Chikkasangama Bird Conservation Reserve**" with effect from the date of publication of this notification.

The Chikkasangama Bird Conservation Reserve shall not include any of the patta lands on the date of publication of this notification. Any rights conferred by the Government to any individual or any group of individuals or any association/organization in the area may continue as mentioned in such rights.

#### **GOVERNMENT OF KARNATAKA**

No. FEE 138 FWL 2021

Karnataka Government Secretariat M.S.Building, Bengaluru, Dated:07-01-2023.

#### **NOTIFICATION**

Whereas the Government of Karnataka considers that it is desirable to declare the area, situation, limits and extent of which are specified in the schedules below, to be a Conservation reserve for reasons of its ecological, faunal, floral and geo-morphological importance, and for the purpose of protecting, propagating and developing wildlife therein or its environment and to protect the important breeding habitat of Migratory Birds and other local species.

And whereas the Government of Karnataka considers it necessary to declare the area as a "Mundige Lake and Bird Conservation Reserve" in view of the following aspects:-

- 1. During the 15<sup>th</sup> meeting of the State Board for Wildlife held on 19-01-2019 under the Chairmanship of Hon'ble Chief Minister, Government of Karnataka, it was resolved to declare the Government land in Sondha village of Sirsi taluk of Uttara Kannada district as Mundige Lake and Bird Conservation Reserve.
- 2. Mundige Lake is a swampy area dominated with pandanus, forming a unique habitat.
- 3. To offer strict protection to these fragile habitats such that the demographic features of flora and fauna found in the habitat are adequately enhanced.
- 4. It is a highly productive ecosystem, supporting a variety of natural communities and harbouring great diversity including a variety of local and migratory birds.
- 5. The said lake is unique habitat for Migratory Birds and other species, which are listed in various Schedules of Wildlife Protection Act 1972. The Migratory Birds are threatened by several factors like poaching, destruction of nests and eggs. Thus, there is need for preventing the loss of habitat for migratory birds and other resident bird species.

And whereas all the rights in respect of the boundaries of the Mundige Lake to be constituted as "Mundige Lake and Bird Conservation Reserve" are, already vested with the State Government.

Now therefore, in exercise of the power conferred under Sec-36A of the Wildlife (Protection) Act-1972 [Central Act-53 of 1972], the Government of Karnataka hereby declares that the area specified in Schedules below, shall be a Conservation Reserve and further declares that the said conservation reserve shall be called as "Mundige Lake & Bird Conservation Reserve" with effect from the date of publication of this notification.

The Mundige Lake & Bird Conservation Reserve shall not include any of the patta lands on the date of publication of this notification. Any rights conferred by the Government to any individual or any group of individuals or any association/organization in the area shall continue as mentioned in such rights.
